

The World Leader in Video Animation and Electronic Special Effects
for the Entertainment and Advertising Industries.

The Creative Service... Image West is a unique blend of creative talent, state-of-the-art video technology, and proven experience. We offer the most complete video facilities available for the production of video animation and special effects.

At Image West we can provide for your total graphic needs. Whether it be a simple logo treatment, a full commercial, or an entire image campaign, Image West can provide everything from concept to storyboard to the finished product. Our creative team works closely with our clients to design animated graphics with the maximum impact and effectiveness.

The Creative Experience... Image West is the world's most experienced video animation company. Since 1975 we've produced video animation for a variety of clients from eighteen countries on six continents. Our award-winning team of producers, designers, and animators will explore all possible solutions to meet your creative and economic requirements. Nothing beats experience and success. At Image West, there's plenty of both.

The Creative Commitment... At Image West we are committed to provide innovative, trend-setting video graphics to the international community. Our creative team is constantly exploring the latest technology to discover new design potentials, thus expanding the horizons of video animation and electronic special effects.

The Creative Choice... At Image West you can have the best of all possible worlds. Creativity. Experience. Use our state-of-the-art video animation to provide maximum impact, and our proven experience to stretch your animation budget. Only video animation can give you these advantages: real time quality and cost control, and quick turnaround. Why settle for less? Contact us for further information and let Image West become a part of your creative team.
